or call us on **01642 221121**

Cleveland Emergency
Planning Unit

**DON'T GET CAUGHT OUT
BY SEVERE WEATHER**

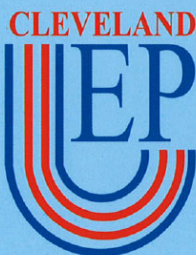

We plan to reduce the
effects associated
with severe weather.

For information on
severe weather
visit the Met Office
website at
www.metoffice.gov.uk

Find out about flood
warnings by contacting
the Environment
Agency floodline
on 0845 988 1188

For further information please visit our website at
www.clevelandemergencyplanning.info
or call us on **01642 221121**

For further information on Business Continuity please visit our website at www.clevelandemergencyplanning.info or call us on **01642 221121**

Could your business cope in a crisis?

What would you do if your staff could not get into work, or if your business was flooded, or if you lost your utility supply?

A Business Continuity Plan can help your business to survive.

The Cleveland Community Risk Register is produced by the Cleveland Emergency Planning Unit on behalf of the 4 local Authorities. You can find it at:

www.clevelandemergencyplanning.info or contact us on **01642 221121** to request a copy.
